MEMORANDUM FOR THE RECORD

SUBJECT: Scattergood-Thorne Property

1. On Friday, 7 August, I attended a short meeting of the ExComm to discuss the Scattergood-Thorne Property. The ExComm had been provided copies of the Development Committee's Report and the session was intended to discuss the Committee's recommendations.

2. With little discussion, the members voted to adopt the recommendations as contained in the Report. I stated that I would so inform the Office of Logistics and the Scattergood-Thorne Development Committee.
